syedaliasghar355@gmail.com [0327 2760461](tel:03272760461) Pakistan

PROFESSIONAL SUMMARY

Motivated and detail-oriented junior web developer with practical experience in Shopify store development, WordPress website creation, and Figma-to-WordPress conversion. Skilled in building responsive, user-friendly, and visually appealing websites focused on e-commerce performance. Possesses a foundational understanding of React.js and modern frontend practices, with a strong interest in expanding technical expertise. Known for fast learning ability, problem-solving mindset, and commitment to delivering high-quality work within deadlines.

WORK EXPERIENCE

Freelance Shopify & WordPress Developer

Self-Employed · Remote
– Present

- Developed and customized Shopify stores tailored to client requirements
- Designed and built WordPress websites from scratch, including layout structuring and theme adjustments
- Managed product listings, categories, and overall store organization
- Improved website user interface (UI) and responsiveness across devices
- Ensured smooth navigation and better user experience for e-commerce stores
- Worked independently on projects, maintaining deadlines and quality standards

Figma to WordPress Developer

Self-Employed · Remote

- Converted a complete Figma UI design into a fully functional WordPress website
- Implemented responsive design ensuring compatibility across mobile, tablet, and desktop devices
- Achieved pixel-perfect accuracy between design and final website
- Improved user navigation, layout structure, and visual consistency
- Focused on clean design implementation and usability enhancements
